CNCC Accounts 1<sup>st</sup> January 2022 - 31<sup>st</sup> December 2022

Dear Pete,

I have checked through all invoices against the bank statements and found all payments match up with your accounts summary.

All income through Pay Pal and other sources has been checked against the bank statements and accounts summary.

Income and expenditure are clearly detailed and all transactions are accurately accounted for.

I am in no way connected to CNCC and have independently given my opinion on this set of accounts.

Kind regards,
